**STATE PROJECT NOS. 450-34-0094 & 704-36-0083
I-610 FENCE REPAIRS (WEST END BLVD. TO ORLEANS AVE.)
ROUTE I-610
ORLEANS PARISH**

SUBJECT: ADDENDUM NO. 1

Gentlemen:

Attached are the construction proposal revisions dated July 16, 2008, on the captioned project for which bids will be received on July 30, 2008.

The following changes have been made:

1. Revised Item S-002, Fence Painting. (1 page)
2. Revised sheets 1 and 3 of the plans. (2 pages)

Please note these revisions in the proposal previously furnished you and bid accordingly.

Very truly yours,

William D. Drake Jr., P.E.
Road Maintenance Engineer

ITEM S-002, FENCE PAINTING: This item shall consist of furnishing and applying a pigmented Exterior Latex Coating (ELC) over a composite wood fence. The ELC shall be the Duration® coating manufactured by Sherwin Williams or approved equal and shall be applied in accordance with the manufacturer's recommendations, the plans and specifications with a minimum of two coats. The coating shall have the ability to adhere to the composite wood fence bearing physical properties outlined in item S-001.

The ELC shall be a permanent coating. Prior to beginning of work contractor shall submit paint characteristics and proposed pigment color to the project engineer for approval.

The finish for any area shall be completed in the same day and the limits of a finished area shall be made at natural breaks in the finished fence. All adjacent private property including vegetation and other objects shall be protected from overspray.

Payment will be made under:

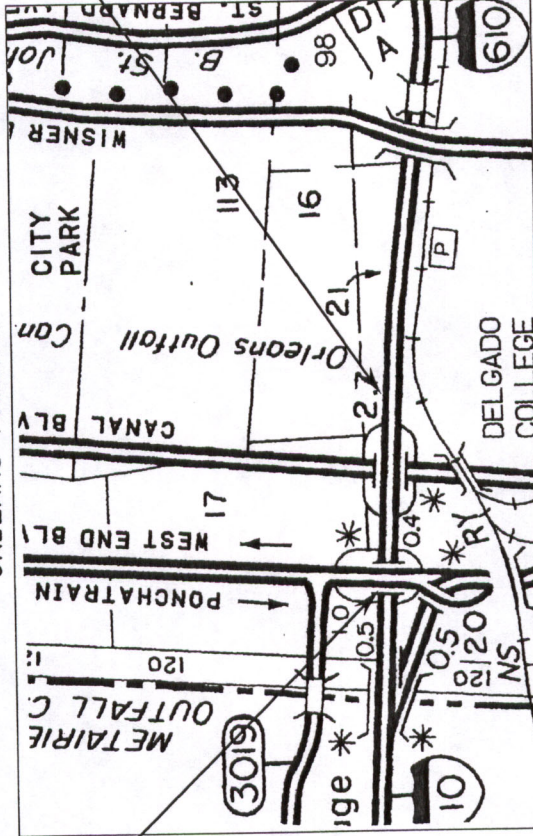

Item S-002, Fence Painting, per square foot.
