**COOPERATION WITH UTILITIES:** Subsection 105.06 of the Standard Specifications is amended to include the following.

Utility facilities will be removed, relocated, adjusted or abandoned in accordance with agreements between the Department and utility owners listed below. Starting dates for such work will be determined by the engineer and may be different for each utility and may not be underway concurrently with the contractor's work or with other utility relocations. Utility relocations can be within the construction limits covered by this contract. The furnishing of the following estimated completion times for utility work is for information purposes only and will not relieve the contractor of any requirements of this subsection nor will it preclude the granting of contract time credits in accordance with the provisions of this subsection. A utility company calendar day shall be the same as defined in Subsection 101.03 of the standard specifications.

<b>UTILITY OWNER</b>	<b>Estimated Calendar Days for Completion</b>
City of Baton Rouge ** East Baton Rouge Parish Public Works Post Office Box 1471 Baton Rouge, LA 70821	100

\*\* The City of Baton Rouge will be relocating and removing a 14 to 16 inch sewer force main in the areas listed below:

Stations listed on the DOTD construction plans:

Station 10+800 to 10+900, left of centerline.

Station 11+125 to 11+550, left and right of centerline.

Station 12+400 to 12+610, right of centerline.

Additionally, the City of Baton Rouge will also be installing, at this same time, two 6 inch sewer lines and sewer cleanouts from station 10+ 425 to 10+480, left of centerline.

Stations are in metric units.

**CONTRACT TIME**

The bidder shall determine the number of calendar days required for completion and final acceptance of the project and shall state this required time, in words, in the space provided below. The maximum allowable contract time for this project is **four hundred (400) calendar days**. The proposed completion time will be a factor used in considering bids for award of contract in accordance with the special provision, COST-PLUS-TIME BIDDING PROCEDURE (A+B METHOD). The stated number of calendar days required for completion will be the contract time for this project should the bidder be successful. Bids not including a contract time, or showing contract time in excess of the maximum allowable amount, will be considered irregular and will be rejected.
